We are delighted that you are joining A MAZE. / Berlin 2016.

Background:

A MAZE. / Berlin brings together international independent game developers, digital creatives and game enthusiasts in Berlin. A MAZE. / Berlin is a venue for collaboration and connection, a unique cultural investigation of videogames, virtual reality experiences, music, and interactive installations. A MAZE. / Berlin showcases and celebrates games beyond the mainstream and celebrates the art-form and not the product.

A MAZE. / Berlin is a core event of the International Games Week Berlin, a seven-day cross-industry communication and networking platform for games business, development and culture in Europe.

2016 A MAZE. / Berlin will host a village where exhibitors display a curated selection of the very best of independent and alternative games. The village aims to showcase and foster the

international market for art-house games. National and international funding institutions, but also game labels, distribution platforms and publishers are invited to play and meet the developers of upcoming unique and experimental projects.

The village will be hosted at Haubentaucher, the site for conference and the awards. Haubentaucher is located at Revaler Straße 99 10245 Berlin and only 2min walk to Ambulatorium (talks and screenings) and Urban Spree (exhibition, music, installations).

Your rental includes:

- One tent (4m x 4m with removable walls)
- One small sign for each tent (all other signage/ roll-ups should be within the tent)
- Furniture (desk and chairs)
- Wi-Fi, light, and power
- Two passes to A MAZE. / Berlin (value: 240€)
- Additional full-festival tickets are discounted to 70€ each
- Inclusion in the A MAZE. / Berlin program and on the website

If you have further questions or needs, please let us know as soon as possible. With advance notice we can accommodate special needs or make arrangements to ensure you have an excellent experience. Please get in contact with the village coordinator Adam Streck (adam@amaze-festival.de).
